AgriLIFE EXTENSION

Texas A&M System

Improving Lives. Improving Texas.

Students are actively engaged in learning about agriculture and its importance in our everyday lives. So many children never have this opportunity. This event is open to the public and is free of charge.

Protected Under
18 U.S.C. 707

You can teach a student a lesson for a day; but if you can teach him to learn by creating curiosity, he will continue the learning process as long as he lives.
